"Access to Markets"

*How the great pipeline-building era of the 1950s
set the stage for three decades of political intervention
in the Canadian oil and gas industry*

An address by
Bob Bott

Please join us...

for the 1994-1995 annual meeting of the Petroleum History Society. Following a reception and business meeting will be a presentation by writer, author and historian Bob Bott. Bob's extensive writings about the energy industry include two commissioned books and co-authorship of a volume entitled *Life After Oil*. In addition, he was the energy editor for the *Canadian Encyclopedia* and has prepared articles for such business publications as the *Report on Business Magazine*.

Time: 4:30 p.m.

Date: Wednesday, March 29

*Place: Calgary Professional Club
7th Floor, 217 7th Ave. S.W.*

No charge; everyone welcome.
